

# TRAUMA-INFORMED SPIRITUAL INTERVENTION™

Interactive Brochure  
[Learn more](#)

## 5 Instructional Sessions

Engage the nuances that accompany discussions about spirituality in your faith-integrated practice. Gain precise language and mindset for establishing safety while guiding clients through mental health counseling, inner healing and deliverance.

Self-paced instructional sessions offered twice triannually\*

## 20+ Hours Virtual Training

Engage the practical work of Trauma-Informed Spiritual Intervention™ by participating in holistic deliverance ministry sessions. Observe and practice skills in belief mapping and identifying root spiritual needs.

*\*Sessions 1-3 are offered six times per year. Sessions 4 and 5 are offered three times per year (once every four months)*

Sessions Rotate Triannually:

- Start January 13, 2024\*
- Start May 11, 2024
- Start September 14, 2024
